You will be billed for damage that occurs during the semester. You are expected to pay the bill within 2 days of receipt.

Our goal is to be as fair as possible with damage charges. We do not charge for routine maintenance. For example, if your light bulb burns out, or the sink leaks, we will replace/repair it at no charge to you. However if you have a party and someone throws a beer bottle through the front window, we will replace it and send you a bill.

Please remember you are responsible for your conduct and the conduct of your guests while living in our property.
